

# International Education Week

November 16 –20, 2009

Help us support International Education Week by submitting your department events for the week of Nov 16-20<sup>th</sup> related to international education and exchanges. International Education Week is an opportunity to celebrate the benefits of international education and exchange worldwide.

Join International Affairs in planning events that will highlight your efforts in the areas of international exchanges, international relationships and cooperation.

If you know of any campus organizations or campus units that have already scheduled international education-related activities during International Education Week, please forward this information to International Affairs.

A master calendar of International Education Week activities and events is being compiled by International Affairs. Please contact International Affairs Public Affairs Assistant, Samira Obeid, at [publicaffairs@iac.usf.edu](mailto:publicaffairs@iac.usf.edu) no later than *Monday, November 9th* with your submission for the International Education Week master calendar. Be sure to include details of the activity, date, day, location and time.

International Education Week is an outstanding opportunity to gain recognition in the USF community and greater Tampa community, for the value of international education and exchange.

For further information about International Education Week, visit the State Department website at <http://iew.state.gov/>

We appreciate your time and effort in this endeavor and we look forward to receiving your event news!
