Venue at Florida Chinese Cultural Center: 13367 N 56th Street, Tampa FL 33617

Student Name: __________________________ Chinese Name (if any): __________________________

Name of Mentor Teacher: __________________________

High School/University Name: ________________________________________________

Years you have studied Chinese language: __________________________

The competition is designed for non-heritage speakers of Mandarin Chinese. Are you a heri
tage speaker (from families where Chinese is spoken)? _____

Student’s Cell Phone: ________________ E-mail: __________________________

Mentor Teacher’s Cell Phone: ________________ E-mail: __________________________

Student Mailing Address: ________________________________________________

There are three sections to the Chinese Bridge Competition, with each section scheduled for two to three minutes. Each registered student should be prepared to:

- Present a speech in Chinese around the theme of “China and Me” – “我和中国” (Actual titles may vary based on the student’s interest in China. Two minutes each.)
- Answer questions related to your presentation in Chinese.
- Complete a talent performance associated with Chinese culture (such as storytelling, singing a Chinese song, playing a Chinese traditional musical instrument, or martial arts, etc. Three minutes each.)

Please provide a brief description for the following two items:

1. Topic title for your speech:

2. Your talent performance:

Thank you for your interest. Please submit your completed application to your mentor teacher or to Chinese@usf.edu by March 12, Monday. (There is no fee for registration and participation.) Then we will send you confirmation for participation and directions to the venue for competition. Please contact your mentor teacher for how to prepare for the competition. Lunch will be provided to competition participants and volunteers.

(NOTE: Top winner of each group will go to University of Texas at Dallas for regional competition in late April.)

For questions, please contact us at Chinese@usf.edu.
